

Fall Series - September 3 & 4, 2022

Race #6 Redress

As chairman of the Fall Series 2022 Race Committee, I submit the following ruling on Race #6 in consultation with the race committee.

On September 4th, associated with Race #6, the race committee admitted making an error in signalling to Wee Beastie that she had finished the race when she had not (race committee member prematurely declared 'OVER'). Subsequent to this mistake by the race committee, Wee Beastie wasted some time (i.e., lowered sail) before realizing the error. Subsequently, Wee Beastie rejoined the race and completed the race.

Due to the race committee error, we give redress to Wee Beastie. Wee Beastie's finish time for Race #6 is adjusted by a decrease of 30 seconds.

As such, the adjusted time calculation gives Wee Beastie 2nd place in Race #6. Fall Series 2022 Final Results will be published in accordance with this adjustment.

As per the *Racing Rules of Sailing* 2021-2024 Rule 62, redress was given based on an action by the race committee that prejudiced Wee Beastie.

Respectfully submitted,

Brian Styles
Fall Series 2022 Race Committee Chair
