Sunshine Bay Yacht Club

Rules and Regulations

The following rules and regulations for Sunshine Bay Yacht Club (SBYC) align with our Vision, Mission and Core Values as identified in the SBYC Strategic Plan. These rules apply to all persons using Club grounds and docks. A member is personally responsible for the conduct, acts and omissions of their family and invited guests.

1. Principles of SBYC

- 1.1. SBYC's purpose is to provide an operating base and social centre for family enjoyment of small cruiser sailboats. Membership is contingent on having a sailboat at the dock with exceptions for members 'On-Hold', Alumni and Honorary. All boats must be designed to accommodate overnight stay.
- 1.2. SBYC is a yacht club, facilities owner-managed, and business cooperative, entirely self-propelled. Its Shareholders and their family members who enjoy the Club's benefits are expected to contribute positively to the well-being of the Club and to its enjoyment by all, through their daily conduct, their care of Club grounds and assets, and through active participation in Club work parties, Club events, and Club management and administration.
- 1.3. SBYC is self-sustaining financially, supported primarily by member fees. It is prudently managed for continuing soundness and stability. It builds and maintains a capital reserve sufficient to fund foreseen replacement of Club assets and planned acquisitions.
- 1.4. SBYC's members value and are committed to responsible stewardship of the natural environment: within the Club area both ashore and afloat, and in and around Lake Wabamun generally.
- 1.5. SBYC's members value and are committed to maintaining the natural peace of the Club area and surroundings for the enjoyment of all including: Club members and their families and guests; the Landowners, their family and guests; neighbours of Sunshine Bay, and others using the Lake and its surroundings.
- 1.6. SBYC's members value, cultivate and mentor the arts of good seamanship and safe boating.
- 1.7. SBYC is a responsible, mature, and cooperative organization having a place, responsibilities, and a voice within the community of municipalities, Indigenous peoples, neighbourhoods, landowners, industries, parks, other boating clubs, and other stakeholders having interest in the stewardship of Lake Wabamun. SBYC supports local community events and is a hospitable neighbour.

- 17.1. SBYC's purpose is to provide an operating base and social centre for family enjoyment of small cruiser Sailboats, as well for the use of camper trailers for a limited number of members.
- 17.2. SBYC limits the number of trailer spots available for yearly rent by members of the club. Trailer spots (individual location) will be decided by the Facilities Director.
- 17.3. Members requesting space must submit their request in writing to the Membership Director. The board will approve each request and reply to all requests in a timely manner. All available spots are on a first come basis.
- 17.4. Members that are currently renting a trailer space will maintain their spots until they no longer require a trailer spot. However, members must have a registered boat, with annual fees paid, and moored at the SBYC docks to be eligible for a trailer spot. (No boat / No holiday trailer either!)
- 17.5. Members that are renting trailer spots must have a trailer onsite for no less than 50% of the months of May thru October (weekends or full-time use).
- 17.6. Camp trailers must be removed from the property no later than Oct 31st each year.
- 17.7. The Membership Director will keep a current waiting list for members wanting to apply for available or upcoming trailer spots.
- 17.8. All camp trailers on SBYC property must have liability insurance. SBYC does not assume any responsibility for trailers and equipment left on SBYC property.
- 17.9. Annual rental fees will be set by the board on a yearly basis and are due to be paid with regular annual membership fees.
- 17.10. No fires are permitted in the trailer area.
- 17.11. One vehicle per trailer can be parked in the trailer area. All other vehicles should be parked in the main parking lot.
- 17.12. Members will respect each other's right to reasonable conduct in the trailer area. Music and other related noise will be always kept to a minimum. Quiet times between the hours of 10:00 p.m. and 9:00 a.m. will be observed.

18. Trailer Size & Mobility Restrictions

- 18.2. All trailers must be kept in a mobile state for removal if necessary, to allow for tree culling or other board approved actions.
