

## 2022 SBYC Health 'Self-Check Questions'

### The only members and guests allowed at SBYC are those who meet AHS 'Close Contact' Criteria

Symptoms for COVID may include: FEVER, COUGH, SHORTNESS OF BREATH / DIFFICULTY BREATHING, SORE THROAT, AND RUNNY NOSE.

1. Do you have any of the below symptoms:
  - a. Fever (greater than 38.0°C/100.4°F)?
  - b. Cough?
  - c. Shortness of Breath / Difficulty Breathing?
  - d. Sore Throat?
  - e. Runny Nose?
  
3. Have you, or anyone in your household been in recent contact with someone who is being investigated or confirmed to be a case of COVID-19?
  
4. Are you currently being investigated as a suspect case of COVID-19 or have had a recent positive COVID test.

**If anyone answers YES to any of the above questions, the individual MUST stay away from SBYC.**
